

WASHINGTON SCHOOL DISTRICT CYBER ACADEMY
CYBER STUDENT CONTRACT
2022-2023

STUDENTS AND FAMILIES MUST READ AND INITIAL EACH ITEM, THEN COMPLETE AND SIGN THE BOTTOM.

The majority of learning activities will be asynchronous but some synchronous sessions may be required for instruction or other purposes, such as for advising, scheduling, services pertaining to special education/ELL/speech/SAP/, tutoring, and more.

Guardian: _____ I agree to have my student attend any synchronous sessions as required.

Student: _____ I agree to attend any synchronous sessions as required.

Students in the cyber program are required to participate in all programming and assessment as prescribed by state requirements and district curriculum, including testing, benchmarking, career pathway selection, career readiness programs, etc., whether in person or virtually.

Guardian: _____ I understand that student attendance and participation is required for state and district requirements and that some require the student to report in person.

Student: _____ I agree to attend and complete all required programming and assessments.

Cyber students and families are responsible for monitoring modes of electronic communication such as email, Google Classroom, Edgenuity email, and progress reports. It is the responsibility of the student and family to keep contact information current with the school district and to frequently check for information regarding student performance and obligations.

Guardian: _____ I have provided a functioning email and understand that important information about my student's progress and requirements will be sent there.

Student: _____ I agree to check my Prexie Gmail and Edgenuity messages daily and adhere to all requests and requirements within.

Students attendance and progress is monitored weekly and should amount to approximately 25 hours per week of online educational activity. Idle time is recorded and does not count for attendance. To be present for all school days, student progress must be on-target in all courses with all grades passing. Session logs will be consulted when students fall behind and hours of activity will be used to determine number of days attended.

Guardian: _____ I understand that students must maintain progress and performance in all courses to be fully in attendance.

Student: _____ I agree to maintain my attendance by keeping course progress on target and grades passing.

Both new and returning cyber students and families must attend orientation at the start of the school year. Dates will be forthcoming.

Guardian: _____ I agree to attend orientation as scheduled or virtually.

Student: _____ I agree to attend orientation as scheduled or virtually.

Signatures below indicate that the student and guardian have received, reviewed, and understood the Washington School District Cyber Academy Policy and, in addition, agree to terms listed above in the Cyber Student Contract.

Guardian Name: _____ Signature: _____
